

Dear Rev. Jim Medley and First Baptist Church of Spearman TX

November 01, 2011

It is a pleasure and a privilege to greet all of you, knowing that God is filling you with blessings, receive greetings from Missionary Pastor Pascual Juarez. The congregation of Genesis Church in which I'm the pastor and I want to thank you for your prayers and financial support, God has taken care of us and has been using us for his purpose in the area of Santa Elena.

We are fulfilling the great commission of our Lord Jesus Christ to go and make disciples not forgetting the nutritional needs and with your spiritual and financial support we can do much better.

The work done in the month of October was very successful because we have 8 services with an average of 80 people including children, youth and adults in which we are teaching "My growth in Christ" and we are providing food for them at each service. We are happy to report that 400 meals were served during the month of October. I have attached photos showing the work of Pastor Juarez, wife and sisters of the "Women's group" performed during the month. The average cost of each meal was \$1.40 per plate.

We want to thank all of the members from FBC at Spearman TX for supporting the ministry during the month of October, also; please help us pray for this ministry and for the situation of violence that we living at Juarez at this time.

Your brother and partner in Christ

Missionary Pastor Pascual Juarez
